

To all ITKF members

We are pleased to announce the **20th WORLD ITKF TRADITIONAL KARATE CHAMPIONSHIP in MACEDONIA**. The event will be organized by MTKF with the ITKF seal.

This will be a very important event for Traditional Karate, as it marks the resumption of the independent world championships. I also want to thank the federations of Egypt and Brazil, who also made themselves available to hold the event.

I congratulate the Federation of Macedonia on its commitment and I ask the support of all so that together we can hold a quality event. It will be very important that all affiliates of all regional federations be present. Let us regain our strength and representativeness.
