Dear Mr. Jorgensen,

I hope this email will find you well.

As you may know, I was recently subject to surgery for my right hip. Recovery was good, but I am now suffering for my left hip and it is still difficult and painful for me to move and teach. Physicians have strongly suggested to make another surgery as soon as possible and I agreed with him that the best time to do this would be on the first week of July 2014.

Unfortunately, because of this, I will not be able to come to New York for the 2014 North American International Summer Camp.

I am sorry for the inconvenient situation that this may create, and I really appreciate your understanding.

Best Regards,
Hiroshi Shirai
